RAD Dance School Sharing of Work Schedule Summer Term 2023

Please check the schedule carefully below for the date and time of your child's sharing of work. These will take place in the Aud Jepsen theatre at RAD headquarters.

For the Sharing of Work, students will come from and go back to their usual class (at usual timings), and so drop-off and pick-up times for parents will not change from usual class time (unless outlined in the schedule).

Guests will be invited into the Aud Jepsen theatre at the times outlined below. Where your child's Sharing finishes before their class time, guests will be able to wait in the North Reception waiting area until your child's class is finished.
